RECALL HOLLADAY

Dear Neighbor,

Let's restore Oregon City's reputation by recalling Dan Holladay.

It's clear that ethical and accountable leadership is necessary to guide us through the pandemic, its economic repercussions, and the national reckoning over race relations. Our mayor, Dan Holladay, refuses to provide that leadership. Instead, he wanted to unilaterally re-open the city back in April amid the throes of the pandemic, he was the *only* Metro area mayor who did not sign a two-paragraph letter condemning the murder of George Floyd and committing to address racial injustice at the local level, he is inappropriate and demeaning toward constituents, he rants on social media, and he has a history of domestic abuse. Holladay has proven himself unfit to be the mayor of our city.

Holladay's unethical decisions have cost the taxpayers thousands of dollars in legal fees. He once worked with the city audio/visual technician to deprive the citizens of their right to view the city commission meeting livestream. He frequently leaves in the middle of city commission meetings, thus refusing to do the job that we elected him to do. And if that was not enough, Holladay is known for his backroom dealings and is even alleged to have asked for campaign contributions in return for political favors. These are not our values and that is why OC's last three mayors are supporting the recall campaign.

The mayor's colleagues on the city commission have taken every action against him that our city charter grants by voting unanimously to order an independent investigation into Holladay's actions, censuring him (twice!), and expressing "no confidence" in his leadership. But the city charter does not allow our commissioners to remove Holladay from office; only we, the citizens of Oregon City, have the ability to send the mayor packing.

Our deadline to collect enough signatures to trigger a recall election is just a few short weeks away and we are getting so close to our goal. **Will you help us qualify for the ballot by signing the enclosed petition today?** Once you and the other voters in your household have signed the signature sheet, please return it immediately using the enclosed prepaid mailing envelope. To ensure your signatures are counted, please follow the instructions very carefully!

I hope that we can count on your support to restore ethics and accountability to the mayor's office. The city we love is worth the fight.

Sincerely,

Adam Marl, Campaign Manager

Dear Neighbor,

The values that we hold dear are under attack in Oregon City. Our Founders believed that the cornerstone of any republic is the trust between the citizens and their elected officials. Unfortunately, our mayor seems to have forgotten the founding ideals of good and honest government, which has rendered him unfit to be the leader of our city. Please join me in calling for ethical and accountable leadership by signing the enclosed petition to recall Dan Holladay.

As a Republican, I can tell you that Holladay has demonstrated troubling behaviors that should concern citizens of all ideologies. His conduct is hurting local economic development by driving businesses away and his unethical decisions have cost the taxpayers tens of thousands of dollars in legal fees that could have gone toward public safety and other city services. He once worked with the city audio/visual technician to deprive the citizens of their right to view the city commission meeting livestream. Holladay frequently leaves in the middle of city commission meetings, thus refusing to do the job that we elected him to do. And if that was not enough, Holladay is known for his backroom dealings and is even alleged to have asked for campaign contributions in return for political favors. These are not our values and that is why OC's last three mayors are supporting the recall campaign.

His colleagues on the city commission, Republican and Democrat alike, have recently taken every action against him that our city charter grants by voting unanimously to order an investigation into his actions, censuring him (twice!), and expressing "no confidence" in his leadership. The city charter does not allow them to remove him from office; only we, the citizens of Oregon City, can send the mayor packing.

Our deadline to collect enough signatures to trigger a recall election is just a few short weeks away and we are getting so close to our goal. **Will you help us qualify for the ballot by signing the enclosed petition today?** Once you and the other voters in your household have signed the signature sheet, please return it immediately using the enclosed prepaid mailing envelope. I hope that we can count on your support to restore ethics and accountability to the mayor's office. The city we love is worth the fight.

Dear Neighbor,

You are receiving this letter because you have *already* signed the petition to recall Dan Holladay. Thank you for your support! But the recall campaign needs your help. We are so close to collecting enough signatures to qualify for the ballot, but we only have a few weeks left before our deadline. **Will you help us trigger the recall election by collecting just a few more signatures?**

Out of respect for public health, we are not going door to door for signatures. Rather, we are asking you to reach out and collect the signatures of your friends, family, and neighbors who have not yet signed the petition and are registered Oregon City voters living within city limits. The pandemic has made the signature collection process difficult, but with your help, there is no doubt that we will be able to qualify for the ballot and recall the mayor.

Enclosed, you will find a recall signature sheet, instructions, and a prepaid return envelope. The signature sheet has space for 10 signatures, but you do *not* need to gather 10 signatures before returning the sheet; any number of signatures you can gather is helpful. Because of our upcoming deadline, we ask that you return the signature sheet within the next seven days. To ensure your signatures are counted, please follow the enclosed instructions very carefully!

Here are some helpful facts you can use when explaining the recall to your friends, family, and neighbors:

Dan Holladay is destroying Oregon City's reputation and interfering with the city commission's ability to function. Our commissioners have said as much, and have recently taken every action against Holladay that our city charter grants:

- *They voted 4-0 to order an independent investigation into his actions;*
- *They voted 4-0 to censure him (twice!); and*
- *They voted 4-0 to express "no confidence" in his leadership.*

Unfortunately, our city charter does not allow the city commission to remove Holladay from office; only we, the citizens of Oregon City, can send the mayor packing, and that takes a recall election. For more information on the recall, please encourage your friends, family, and neighbors to visit RecallDanHolladay.com. The city we love is worth the fight.

With gratitude,
